

VIP Exclusive Transfer Assistance

AFS provides the nation's leading services when it comes to providing a seamless travel experience.

The VIP Exclusive Transit Lounge Service is a premium travel experience that takes luxury and comfort to new heights. This service is designed to cater to the needs of high-end travelers who seek an exceptional level of service and privacy while traveling.

The VIP Package:

- The package incorporates the premium features of Exclusive Transfer Assistance
- Avoid the crowds with private and exclusive lounge areas for guests to relax and unwind
- Dedicated chaperone providing complete and seamless transition from point to point
- The private lounge is furnished with comfortable seating, catering services, shower facilities, and additional features
- Our chaperones are among the most highly qualified and experienced professionals in the nation
- All chaperones are run through our stringent safety and background protocols and checks

In addition to the lounge area, the VIP Exclusive Transit Lounge Service also offers a range of bespoke services tailored to the needs of each individual traveler. These services can include personalised airport transfers, luggage assistance, private check-in and security clearance, and access to VIP airport lounges.
